

Lauderdale House

KS1 & KS2: English - The Tudors (Lower Gallery)

Welcome to Lauderdale House. Did you know the House was built in 1582? This means it is a Tudor house. The room you are standing in would have been where the Tudors who lived here: Richard and Dorcas Martin, ate their meals.

Close your eyes and imagine you are part of the Tudor feast. What can you hear, smell, taste, touch and see? Write a description of the feast you're having in the space below:
